Please give **us your** age and **your** insurance booking or validation certificate number. Say that **you** are insured with Big Cat 7272TVL 01/19. Below are some of the ways the 24-hour medical emergency assistance service can help.

Repatriation

If **our** medical advisers think it would be in **your** medical interests to bring **you** back to **your** home or to a hospital or nursing home in **your home country**, **you** will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, **we** will use an air ambulance. **We** will consult the treating **doctor** and **our** medical advisers first. If **you** need to go home early, the treating **doctor** must provide a certificate confirming that **you** are fit to travel. Without this the airline can refuse to carry any sick or injured person.

Medical screening

The medical screening helpline is optional for those persons wishing to establish if additional cover may be offered to include **pre-existing medical conditions**. **You** will be asked for **your** personal and travel details. Please have **your** insurance policy number to hand if known.

You will be advised whether the **pre-existing medical condition** may be covered, an optional additional premium may be quoted and whether any amendments will be made to the policy terms and conditions. If terms can be provided for the condition and **you** elect to take up the offer of the additional cover, **you** will be given a medical screening reference number and a letter will be sent to **you** upon receipt of payment. Any additional premiums must be paid directly to the medical screening helpline and not to Big Cat Insurance.

Should **you** not contact the medical screening helpline or not wish to take advantage of the optional terms quoted by the medical screening helpline, or if **you** fail to declare any **medical conditions**, **you** will not be covered for any claims arising from all **medical conditions** or linked conditions from a **pre-existing medical condition**.

There is no cancellation or curtailment cover for a **pre-existing medical condition** of persons not necessarily travelling but upon whom travel depends, such as a **close relative**, unless **you** are able to agree to the 'Non travelling relatives' section of this policy.

You should also refer to the 'General exclusions' of this policy.

If **you** fail to declare a **medical condition** and the policy would have still been issued to **you** but for an additional premium, the **insurer** may decide to make a proportionate settlement in line with the premium **you** have paid.

Change of health

If, after purchasing **your** policy but before departing on **your** trip or booking another trip, there is a change in **medical condition(s)** or development of a new **medical condition** for **you** or anyone insured under this policy, **you** must contact the medical screening helpline on **UK +44 (0)1702 427 237** as soon as possible.

We will assess the change in health and confirm if cover for the **medical condition(s)** can continue for further trips. If **we** can continue to offer **you** cover there may be a further charge applied in order to cover this change or new condition.

If **we** cannot continue to offer **you** cover, **you** can either submit a cancellation claim if **you** have booked and paid for a trip that **you** have not yet made; or cancel **your** policy and we will send **you** an appropriate refund as long as **you** have not travelled or made a claim.

If **you** fail to declare a change in health, claims arising from all **medical conditions** or linked conditions may not be paid.

Non travelling relatives

You may have a **close relative** with a **medical condition** who is not travelling with **you**. In some cases, if their state of health deteriorates greatly, **you** may want to cancel or curtail **your** trip. Subject to all the other terms and conditions, such claims are covered if the **close relative's doctor** is prepared to state that at the date **you** bought this policy, he/she would have seen no substantial likelihood of his/her patient's condition deteriorating to such a degree that this would become necessary. If the **doctor** will not confirm this, **your** claim is not covered.

Pregnancy

Claims relating to normal pregnancy, where there is no accompanying bodily injury, illness, disease or complication, are not covered under this policy. This policy is designed to provide cover for unforeseen events, accidents, illnesses and diseases and normal childbirth would not constitute an unforeseen event.

Cover can only be considered where there is a complication of pregnancy or if **you** were unaware of the pregnancy at the time of purchasing the insurance or booking a trip (whichever is later) and **you** are advised not to travel by a **doctor**.

Airlines and ferry companies have their own restrictions due to health and safety requirements so please ensure that **you** check with them or with any other transport provider before **you** book the trip. Please also ensure that **your doctor** and midwife are aware of **your** travel plans, that there are no known complications and that **you** are not travelling against any medical advice.

Making a complaint

We aim to provide **you** with a first class policy and service. However, there may be times when **you** feel **we** have not done so. If this is the case, please tell **us** about it so that **we** can do **our** best to solve the problem. If **you** make a complaint **your** legal rights will not be affected.
